

Conveyancing matters – who will deal with my case?

Details of all of our lawyers, with confirmation of their qualification and experience, can be found by searching against that person's name in the "Our Team" section of our website. Files are allocated to various members of the team when they are opened, based on their current workload and the type of transaction, but a brief overview of which fee earners deal with each type of work is set out below:

New Build Transactions

We have separate departments dealing with Shared Ownership new build transactions and other new build cases (outright sale, Help to Buy and discount purchase schemes):
